

PROVOST TROPHY SCORING ON VMS

We now have a new screen setup in the clubhouse where the previous screen was, ie, next to the fruit machine. This screen (Venue Interface or VI) will allow ALL members to ensure they have a fully signed digital card.

For the Provost Trophy Members can enter their team on their Phone (or on the iPad). They can Add their partner and select a Tee Time.

Match	Time	Tee	Players
1	21:00	1	A. Roy - A. Roy A.R Roy - K. Roy
2	21:07	1	D. Barr - S.M Munro B. Fitzpatrick - P.T Tinney
3	21:15	1	Select This Match
4	21:22	1	I. Smith - P. Mcfarlane Select This Match
5	21:30	1	Select This Match

The Person making the booking is the Lead person in the team and will be responsible for inputting the scores.

Once checked in the on the phone then it seems to give 'SCORE FOR ALL' option. The Lead player can do this for all players.

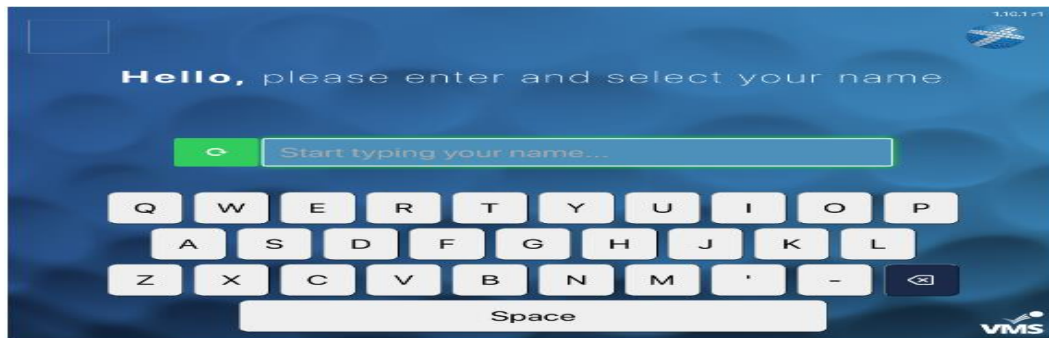

NOTE: Lead players will still need to finish off scoring on the iPad in the Clubhouse.

Alternatively both Team Leads can take a physical card and complete in the iPad when finished.

To finish in iPad.....

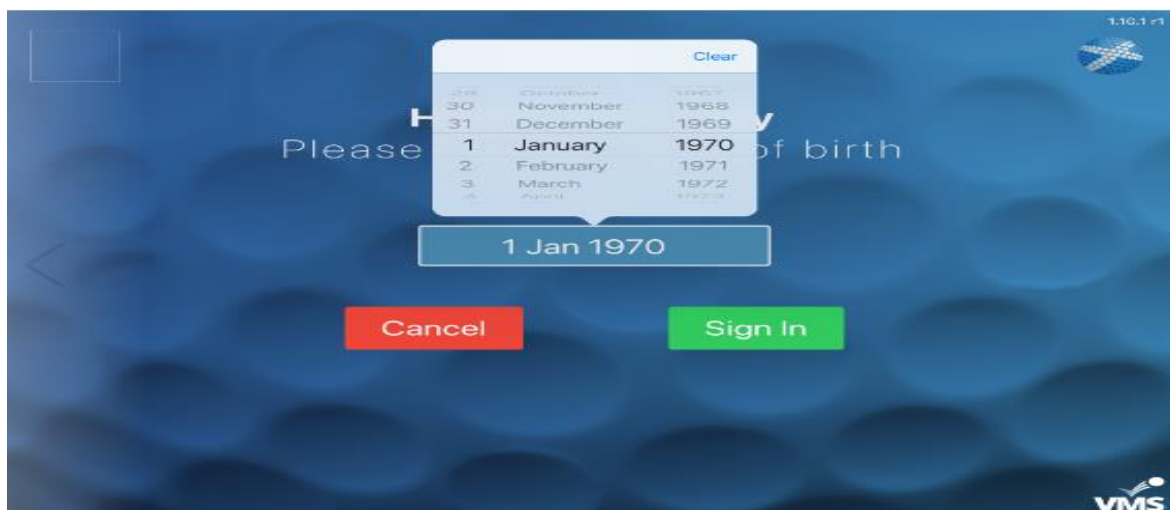

If the screen is black then press gently on the **RHS cutout** to wake up the system and you should be presented by the Screen below.
