

Greenock Golf Club

WHS Handicap Index

Dear Charles

WHS HANDICAP INDEX

=====

Scottish Golf have updated Greenock Members - Projected WHS Handicap Index. (You may need to ensure that the app has been refreshed if it isn't set to automatically refresh).

To view your WHS Index on the app,

On the Home page -> Click on ...More, then, My Handicap, then, View Projected WHS Index.

Remember that you then need to Match your Hcap Index against the Course Handicap Chart for the Tees you are playing (eg, Greenock 18 hole course White, or Yellow, or Red(Female).

I've attached the Handicap Chart for the 18 hole course (there is also one for the Wee course).

These charts will be posted in the locker room, however, should also be available in the app.

Thanks

Alex Roy M&H Convenor.
