November Stablefords Week 2 Results

Dear Charles

Please find attached the results for the second November Stableford weekend. Only 15 entrants this weekend despite reasonable weather conditions plus the course was pretty decent considering the rainfall during the week.

Please note that there were still 1 or 2 people who did not have a Verified Card (ie, signed). Remember to use the iPad to complete this if your marker does not get the option to Sign your card on their phone. As we have had most of this season to get used to the new App then stricter rules will be put in place next year and anyone who doesn't have a signed card risks being disqualified.

USE OF MATS MANDATORY

=====

Some people have been observed not adhering to the Winter Rules and have been playing shots from the fairway.

PLEASE ENSURE THAT YOU EITHER USE A MAT OR TAKE THE BALL TO THE SIDE.

The Greens Hit squad have done a wonderful job last week ensuring all divots on the course were filled in, so please ensure no new divots are taken until we no longer have Winter rules in place.

Also, a reminder about COVID rules on the course. As most of you are aware players are not allowed to touch the flag, however if the flag is lying against you then you can request your playing partner to centre the flag using their putter.

If you have any questions on this email please reply to this mail direct to M&H

Thanks

Alex Roy M&H Convenor.
