[Club Ch'Ships Qual Rd 1 - 18 July 2020](#)

There is a Gross Score result sheet which shows leading score of 69 from Stephen Mullen and 30 players on 78 or better.

After next Saturdays round the Top 16 Gross Scores qualify for the Matchplay rounds which start on Monday 27th July. The draw will be made on Saturday night once the final rounds are completed, approx 6:30PM. We will also be able to announce the Sid Montford Trophy winner which is won by the leading qualifier.

Can I please remind people to check their scores are entered on to the system at the end of their round. If all their scores aren't entered it means M&H need to chase those folks down to check if they had NR'd or if there was a problem getting scores entered. This causes a delay in getting the results out. If you have a problem getting your scores into the system please let M&H know as soon as you have completed your round.

Thanks

CSS was 69 with 139 Entries. The Results can also be viewed in the app. There is also a handicap revision file provided.

Can I just remind players to check their scores are entered into the system at the end of their round.

Once you believe your scores have been entered you can check by going into:

Comps - Select the Competition - Click on Scores - Find your name and click on it. This will show your scores for the 18 holes.

If there are any discrepancies or scores missing please contact M&H asap.

Can I also ask players who are entering an NR to still enter a 0 (zero) for all the holes they don't play.

Thanks

Alex Roy M&H Convenor.

- **Bunker Rakes - 8 July 2020**

Members are advised that from Wednesday 8th July, 2020, rakes will be available at the shop.

We would ask that each game takes one rake out with their game, not just on competition days, but on every round that they play. As we are still under Covid restrictions we'd ask that each game nominates a player as "Mr Raker" to minimise the need for sanitizing/handling which can be dealt with upon completion of the round.

S Cameron and D Shields have been doing a sterling job in volunteering to rake the bunkers for us, and their efforts are very much appreciated. But this new arrangement will allow us all the opportunity to help keep the bunkers in the best possible condition for those unfortunate enough to visit them during their round. "

Charity Salver Entry

=====

Tomorrow is the Charity Salver as well as the Reid Rose Bowl Qualifying (Top 16 Net Scores).

Normally we would request members to donate a £1 to Charity along with their entry fee. I have just set up the competition to take an additional £1 from entrants. However the system wasn't able to gather the extra £1 from those already entered and only recent entrants have been charged £4.

Therefore I will refund the £1 to the small number of folks who were charged £4. (You may see emails refunding you £4 and it will then take £3 for your entry). I will set up a later competition to take the charity donation.

DUNCANS SHOP

=====

As many of you will be aware our Starter Duncan has been putting in a lot of hours in his shop to ensure we are all booked in the system to play golf and meeting our Scottish Golf/Govt Covid Guidelines. However, the current situation has also hit Duncan's ability to provide proper retail services and I'm sure you will all agree we need to provide Duncan with the appropriate support.

Normally Duncan would run a weekly Raffle but because very few people have been entering the shop then this hasn't been run. Therefore Duncan has requested that I set up the system to run the raffle inputs. I can set the system up to make the raffle input Mandatory or to make it optional. I'm initially going to set it to mandatory ie, the £1 raffle will be taken when you enter. We can see how this goes and if everyone is OK we will continue to run it that way

going forward.

Please let me know if you don't wish to enter and we will refund you. If the number of people who don't wish to enter is significant and making refunds is driving a big workload then we will revert to it being optional. The Raffle will be run weekly as part of the Saturday competitions and the first Raffle will be on July 18th. There will be at least 3 prizes and depending on numbers may be extended.

I do hope the members will recognise Duncan's contribution and provide support.

Please note that as from 10th July Duncans Shop will be open for business and as with all Shops it will require a face covering to be worn when entering. Numbers will still be restricted to ensure social distancing. Duncan has also requested that we make members aware the he can currently provide goods on order so if you need anything let him know.

Thanks

Alex Roy M&H Convenor.

- [Wednesday Medal 1 July 2020](#)

Some remarkable scoring yesterday in the May Wed Medal, with the highlight being Chris Ahlfelds Net 60, which puts him as one of the favourites for the Bennett Cup(best 2 net scores in a Wed Medal). There was also a Net 61 and a 62 !! and a Gross 68 from Riccardo Di Murro which included 3 twos.

CSS was 69 with 142 Entries.

Thanks
