

Greenock Golf Club

Members October Opportunity

As we approach the end of the normal golf season it is hoped that as many members as possible will continue to utilise the golf courses over the coming months.

There will be additional winter golfing opportunities added with news on that to follow from the Golf Committee in the coming days .

Remember your membership runs till the end of March 2021 so weather permitting there has never been a better time to continue Autumn and Winter golfing.

To facilitate this we would like to offer to all current 9 hole members the opportunity to play on the 18 hole course throughout the month of October on all non competition days (i.e. Mondays, Tuesdays , Thursdays and Fridays) free of charge . To take advantage of this offer just book your tee time via our starter Duncan and show him your 9 hole membership bag tag for 2020.

It is also hoped that many of our 18 hole members will take the opportunity to play on our 9 hole course in the coming weeks as it is in excellent condition.

Communication on everything going on at your Club will continue in the weeks and months ahead and we hope to see as many members as possible utilising our courses
